RE: Stimulus Reporting for 2010, Quarter 1 (2010-Q1)

We are once again nearing the end of a calendar quarter, meaning that a deadline for stimulus reporting is approaching. To clarify, in addition to ongoing education-specific monitoring conducted for the US DOE, Section 1512 of the American Recovery and Reinvestment Act (ARRA) requires recipients of all stimulus funds to report on their use no later than ten days following the end of every quarter.

The quarterly ARRA surveys for Indiana school corporations are now available at <http://doe.arra.in.gov>. So that the state has time to validate and summarize these responses, we ask that you complete all of your 2010-Q1 surveys by the end of the day on Monday, **April 5, 2010**. For those corporations on Spring Break the previous week, we encourage you to complete as much of the responses as possible beforehand.

Who Must Complete the Surveys

There is a separate quarterly survey for each grant that has been given to every school corporation. For example, if your corporation received Title I, Special Ed, Pre-School, School Lunch, Ed Tech, and Homeless funds, then you would have six separate surveys to complete.

Because ARRA Stabilization funds should have been entirely expended in 2009, most of you do not need complete a survey for that program. There were 18 corporations who had spent all Stabilization funds as of December 31, 2009, but were awarded no other ARRA grants. As such, these corporations (and these corporations alone) have no surveys to complete:

| • Brownsburg Community Sch Corp | • IN Acad for Sci Math Humanities |
| • Burriss Laboratory School | • M S D North Posey Co Schools |
| • Center Grove Com Sch Corp | • Mt Vernon Community Sch Corp |
| • Danville Community School Corp | • Options Charter School - Carmel |
| • Eastern Hancock Co Com Sch Corp | • Plainfield Community Sch Corp |
| • Hamilton Heights School Corp | • Southern Hancock Co Com Sch Corp |
| • Hamilton Southeastern Schools | • Westfield-Washington Schools |
| • Hoosier Academy - Virtual Pilot | • Zionsville Community Schools |

All other public school corporations (as well as private school stimulus recipients) must complete at least one ARRA survey. A list of which surveys are required by each corporation is provided at the end of this memo.

There may be cases where an individual corporation expended all of its ARRA grant funds prior to the start of this reporting quarter (January 1, 2010). However, the state must continue to submit quarterly reports until all program funds have been spent by all recipients. Even if there was no activity in the last three months, please answer the survey to that effect anyway.

Logins/Passwords

Each corporation has been assigned one login using the superintendent's first initial and last name. This one login should be shared by any staff members doing the data entry. If you can't remember your password or have other problems logging in, please contact OMB at either (317) 234-2109 or support@arra.in.gov.

Calculation of Jobs

The calculation of Full-Time Equivalents funded by ARRA dollars is not cumulative. The *Number of Hours* field should include only hours worked during the period January 1 through March 31, 2010. The *Number of Jobs* field then is simply the Number of Hours **divided by 520**. (This figure represents the number of work hours in a calendar quarter.) For reimbursement programs, even if you have not yet received payment, any hours worked during this quarter anticipated to be ultimately funded through ARRA dollars should still be reported.

Vendor Information

Unlike the jobs calculation, the vendor information is cumulative. That is, any vendor receiving a payment over \$25,000 from the beginning of the grant must be listed, not just those since the start of this quarter. For each vendor with whom there was a transaction over \$25,000, you must report either the name and full zip code (zip+4) of the vendor, or the DUNS number of the vendor. The actual amounts spent do not need to be entered.

To avoid retyping vendor information from previous quarters, follow these steps:

- 1) Access your survey for the program from the previous quarter (2009-Q4).
- 2) Click "Edit Details" under Vendor Details.
- 3) Click "Download Report."
- 4) Save the CSV file to your hard drive or file server.
- 5) Access your survey for the program for this quarter (2010-Q1).
- 6) Click "Edit Details" under Vendor Details.
- 7) Click "Import File" and select CSV you just saved.
- 8) Enter any new vendors, and then "Save" and "Close" vendor screen.

Program Specific Questions

Documentation for what data to enter into each field is available in the online system, either by moving your cursor above each data-entry field, or by selecting the "Help" menu. If you are still not certain how to answer a particular question, please contact the DOE manager responsible for that ARRA program:
